Change Proposal ID	CP-PCD-045-00
Change Proposal Status	Ballot
Date of last update	2010-12-21
Person assigned	John Rhoads

Change Proposal Summary Information

Title:	Table B.7-1 OBR Segment - add OBR.9 (Collection Volume) and OBR.10 (Collector Identifier)
Submitter's Name(s) and e-mail address(es):	Nitin Kunte/John Garguilo
Submission Date:	2010-12-21
Integration Profile(s) affected:	DEC
Actor(s) affected:	DOR, DOC
IHE Technical Framework or Supplement modified:	Technical Framework - Final Text
Volume(s) and Section(s) affected:	Vol. 2 Appendix B
Rationale for Change: The table of fields for the OBR segment in the Technical Framework stops with the last field for which PCD usage is specified as different than the base HL7 table. Addition of fields up to and including OBR-10 was requested as that field is significant in the requester's pending work.	

Add OBR-10 with usage value "R2" (i.e. may be included if known) and cardinality [0..1] to Table B.7-1 and add text description to others after table. For completeness, also added OBR-9 to table, but with usage "X" (Not supported).
